

Shock & Awesome Workshop for Deluxe Members

November 2018

This Shock & Awesome Workshop for Da Vinci Science Center Deluxe members is your chance to experience the same great workshops enjoyed by school students participating in Science Center field trips! In this 45 minute workshop, families will explore the fundamentals of electricity by completing design challenges posed by our educator. The coolest part is that there is never just one solution to any problem, and what you learn may just shock you!

Deluxe Members must reserve their workshop time and date in advance.

* Walk-in registrations are subject to availability.

Brain Freeze Workshop for Deluxe Members

February 2019

This Brain Freeze Workshop for Da Vinci Science Center Deluxe members is your chance to experience the same great workshops enjoyed by school students participating in Science Center field trips! In this 45 minute workshop, families experiment with dry ice as they conduct scientific investigations with guided inquiry techniques. Families gain knowledge about matter, phase change, and chemistry as they engage in experiments that could lead them to pursue chemistry careers. *This program uses latex balloons.

Deluxe Members must reserve their workshop time and date in advance.

KEVA Construction Workshop for Deluxe Members

April 2019

This KEVA Construction Workshop for Da Vinci Science Center Deluxe members is your chance to experience the same great workshop enjoyed by school students participating in Science Center field trips! In this 45 minute workshop, families are tasked with completing fun building challenges designed to unlock their creative juices and think outside the box. Based on the incredibly popular exhibit, this workshop is all about encouraging curiosity and embracing the arts in STEAM education.

Deluxe Members must reserve their workshop time and date in advance.

Sound Sensations Workshop for Deluxe Members

July 2019

This Sound Sensations Workshop for Da Vinci Science Center Deluxe members is your chance to experience the same great workshop enjoyed by school students participating in Science Center field trips! In this 45 minute workshop, families will see sound waves and examine how they change with pitch, volume, and other good vibrations as they experiment with a tone generator and oscilloscope. After you investigate, families get to explore various instruments and the sounds they make.

Deluxe Members must reserve their workshop time and date in advance.

Crime Solvers Workshop for Deluxe Members

November 2019

This Crime Solvers Workshop for Da Vinci Science Center Deluxe members is your chance to experience the same great workshop enjoyed by school students participating in Science Center field trips! In this 45 minute workshop, a kooky criminal is on the loose at the Center and it's your family's job to catch 'em! This silly whodunit-style workshop introduces families to the forensic sciences and encourages them to hone their investigative skills to help narrow down the suspects.

Deluxe Members must reserve their workshop time and date in advance.

Healthy Hearts Workshop for Deluxe Members

February 2020

This Healthy Hearts Workshop for Da Vinci Science Center Deluxe members is your chance to experience the same great workshop enjoyed by school students participating in Science Center field trips! Have you ever wondered: "What's so cool about your heart?" This 45 minute workshop is all about this awesome muscle: what it does, how it works, and what we can do to keep it healthy – each and every day. *This program is supported by Bob and Sandy Lovett and created in partnership with Lehigh Valley Health Network.*

Deluxe Members must reserve their workshop time and date in advance.

***Walk-in registrations are subject to availability.**
