Dear Community Leader,

The Da Vinci Science Center is an independent non-profit organization dedicated to advancing STEAM education throughout eastern PA and western NJ. Our mission is “to bring science to life and lives to science” for children and families throughout the area.

This year at our annual Hall of Fame Awards Gala, we are excited to honor students who show a unique passion for science inside and outside the classroom, teachers who inspire enthusiasm for science, and community partners who support the Center’s mission. This year’s Hall of Fame Awards Gala will take place on Saturday April 25, 2020 at the ArtsQuest Center at Steelstacks in Bethlehem, PA.

Your support of our silent auction is vital to the futures of so many kids. We are fortunate to have community leaders like you who recognize the Da Vinci Science Center’s important role in bringing hands-on science education and STEAM programs to kids in the greater Lehigh Valley.

Last year you helped us:

- Welcome over 118,000 visitors to the Center
- Reach nearly 40,000 students through our outreach educational programs
- Connect with over 100 students in Allentown through the STEM Summer Learning program

The Hall of Fame Gala is expected to attract approximately 350 guests. Silent Auction items will be displayed with recognition of each donor prominently featured. There will also be recognition of silent auction donors in the event program book.

We are writing to respectfully request a donation of a product or service from your organization to include in our auction. All donations are greatly appreciated and are tax deductible. Please fill out the in-kind donation form on the back of this letter and return to the noted address. Please feel free to contact us if you have any questions at Sharon@DaVinciScienceCenter.org or 484-664-1002 x125.

With gratitude,

Mindy Beck
Gala Committee Co-Chair

Arjana Etchason
Gala Committee Co-Chair

P.S. We have brought STEAM education to more than 1.75 million people since 1995. We look forward to your support as we continue to bring Science to Life and Lives to Science. Thank you in advance for your consideration.
