EVENT RENTALS

Over 30,000 square feet of dynamic event space for corporate gatherings, team-building workshops, weddings, and special celebrations - all in the heart of the city.

INSPIRE GATHERING

Why settle for the ordinary when you can host your private events in a place where inspiration knows no bounds? Whether it's an intimate dinner for 20 or an employee appreciation reception for 1,000, imagine your guests surrounded by hands-on, engaging exhibits that stimulate the mind and spark creativity. With over 30,000 square feet of dynamic space to explore, the possibilities for creating a truly unforgettable experience are endless.

INSPIRE TEAMBUILDING

Bring your team together in one of our labs, where you can participate in customized interactive science activities. Enjoy the view of both new and historic architecture in downtown Allentown from our rooftop terrace. Alternatively, you can delight in the playful antics of our resident North American river otters, providing a charming backdrop for socializing and networking. Event spaces within the Da Vinci Science Center at the PPL Pavilion include state-of-the-art audiovisual systems. Our brand-new facility features high-resolution media projection, video conferencing, interactive smart boards, a wireless sound system, and upgraded LED lighting options.

INSPIRE MEMORIES

Every detail is carefully curated at this cutting-edge venue. The Da Vinci Science Center at the PPL Pavilion offers a unique blend of modern architecture, immersive technology, and thoughtful design elements, creating an unforgettable setting for your event.

CURIOSITY HALL

FIRST FLOOR

Welcome to our exceptional 3,000-square-foot event space where innovation meets inspiration. Standing over 50 feet tall, this gallery serves as a captivating introduction to the brilliance of the renowned artist, inventor, and scientist, Leonardo da Vinci. As guests step into this immersive environment, they are enveloped by large-scale, high-resolution digital media projections and a state-of-the-art video wall that serves as the canvas for guests to unleash their own creativity.

Accommodating 100-400 guests, Curiosity Hall offers endless possibilities, whether you're hosting a corporate awards dinner, a product launch reception, or a modern wedding.

SCIENCE THEATER

FIRST FLOOR

The Da Vinci Science Theater is an intimate theater that accommodates up to 180 guests. Nestled off the grand 3-story Curiosity Hall, our dual-purpose theater has both an inviting ambiance and adaptable layout to inspire unforgettable moments for you and your guests.

Whether you're hosting a sales luncheon, a team training meeting, or rehearsal dinner, our venue offers a perfect blend of elegance and functionality.

LEO'S CAFE + LEO'S LANDING

SECOND FLOOR

Host your next small reception or team-building meeting in Leo's Cafe. This indoor space features large windows that offer beautiful natural light and a view of our rooftop terrace and native plant green roof.

This intimate space is the perfect place to comfortably host a reception of 70 with standing room or 40 with round tables.

Add on Leo's Landing, a versatile indoor meeting space that can be outfitted to suit a variety of needs. Located right around the corner from our second floor exhibits, this hall offers 1,200 ft² of wide open space that is perfect for board meetings, intimate receptions, team-building activities, speaker seminars, and more.

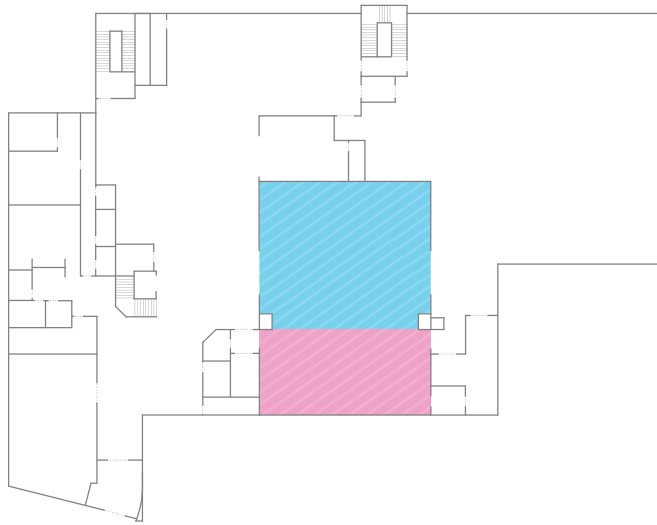

ROOFTOP TERRACE

SECOND FLOOR

Elevate your cocktail hour to new heights with our breathtaking rooftop terrace. Whether you're hosting an intimate gathering or a larger affair, our rooftop terrace can accommodate up to 200 guests and be transformed into an unforgettable experience.

Surrounded by a native plant green roof and featuring a stunning view of Downtown Allentown, this unique outdoor space serves as a premiere venue for events of all types.
