

DA VINCI SCIENCE CENTER® AT PPL PAVILION

SUPPORT OPPORTUNITIES SIGNATURE INITIATIVES

Signature Initiatives have the biggest impact in our mission of bringing science to life and lives to science for generations to come!

WISE Women in Science & Engineering INITIATIVE \$100,000 annually

Da Vinci Science Center works to reduce barriers for girls and women to participate in STEAM education and highlights career pathways less frequented by women. This is done through supporting participation in all education experiences, networking and mentoring opportunities for students and professionals, programming designed and marketed to advance girl participation in all STEAM disciplines, and an annual panel presentation at a signature WISE Forum highlighting professional women in STEAM.

The Initiative sponsor will be recognized as the Platinum Sponsor at the WISE Forum in 2025 and will be recognized in all marketing, publication as the main Initiative sponsor for the year from the day committed.

WISE FORUM **November 12, 2025** at Da Vinci Science Center at PPL Pavilion

davincisciencecenter.org/wiseforum

The annual WISE Forum brings together high school and college girls interested in Science, Technology, Engineering, the Arts, and Math (STEAM) with accomplished women professionals in STEAM fields, ranging from academia and healthcare to design engineering and space exploration.

ACCESS FOR ALL

\$150,000 annual need
Gifts of any amount are welcome

Da Vinci Science Center's Access For All program brings even more lives to science by supporting low income communities through significantly reduced admission and membership prices for EBT, and Blue Access cardholders.

LINNY FOWLER STEAM SCHOLARSHIP FUND

\$250,000 annual need
Gifts of any amount are welcome

The Linny Fowler STEAM Scholarship Fund provides funding for rising scholars with limited financial means and teachers with limited budgets so that they are able to access STEAM education programs and teacher professional development offered through the Science Center.

Scholarship recipients will have access to programs such as traveling science programs, field trips, science camps, and other experiences, inspiring curiosity and opening minds to the array of STEAM careers they can prepare for.

ANNUAL April 24, 2026 SCIENCE SOIREE at Da Vinci Science Center at PPL Pavilion

This annual event celebrates our STEAM Award winners and supports the Linny Fowler Scholarship Fund, guaranteeing access to STEAM for all regardless of financial challenges.

Sponsorships at all levels available. Benefits to be determined.

SUPPORT OPPORTUNITIES IN-MUSEUM EXPERIENCES

Da Vinci Science Center at PPL Pavilion is host to regular programs and experiences that bring science to life in a variety of ways!

FAB LAB

\$1,000 gives 10 students access to the Fab Lab where they can safely create innovative projects

Gifts of any amount are welcome to support equipment and supplies

The Fab Lab is an innovative makerspace designed to introduce community members to advanced technologies and equipment in the field of digital fabrication. Our lab is equipped with cutting-edge tools, including 3D printers, laser cutters, milling machines, and robotics kits, all aimed at fostering creativity and technical skills.

TRAVELING EXHIBIT

\$50,000 - \$100,000

Da Vinci Science Center aims to host 3 blockbuster traveling exhibitions a year alongside our permanent installations. These exhibitions draw in visitors from near and far, both from within the Lehigh Valley and out into the larger surrounding designated marketing areas.

As a primary museum attendance driver, our traveling exhibits are featured heavily in all of our marketing and communications efforts. On average, nearly 2/3 of all Science Center visitors elect to upgrade their general admission tickets and explore our premium traveling exhibits.

The traveling exhibit sponsor will be recognized by:

- Inclusion in paid advertising for exhibit, social media for exhibit, and on web pages
- Any on-site signage and collateral we might create (outside LED sign, rack card, map, in-center signs)
- Discounted ticket/membership offer and event rental
- Networking opportunities to include free preview night for sponsor (up to 100 guests), email to our constituents (18,000)

9/27/25 - 1/19/26	Mickey Mouse Clubhouse: The Exhibit
2/13/26 - 5/25/26	BodyWorlds 101: A Journey Under The Skin
6/8/26 - 9/7/26	Impressionists: Immersive Exhibition
9/28/26 - 1/19/27	Finding Titanic: The Secret Mission
5/21/27 - 9/6/27	Artemis Adventure with with LEGO® Bricks

SUPPORT OPPORTUNITIES IN-CENTER SPONSORSHIP

Events and special features at Da Vinci Science Center at PPL Pavilion draw excited guests from all over Pennsylvania, New Jersey, New York, and beyond!

CYNDI THE SYNDAVER

\$20,000 for 12 months in-center sponsorship

Cyndi, our SynDaver (synthetic human body), and our knowledgeable staff conduct programs providing the opportunity for students to learn more about the human body, how it works, and how to keep it healthy through hands-on exploration.

The SynDaver features complete muscular, skeletal, circulatory, respiratory, gastrointestinal, and endocrine systems – all made from materials that look, feel, and respond just like live tissue.

Programs can be customized to explore different systems of the body through a series of experiments and dissections. Cyndi has been used in classrooms (K-12), medical themed summer camps, and used as a demonstration tool for an EMT conference. Over 4,000 students have participated in a workshop or endoscopy demonstration with Cyndi since 2022.

Cyndi will be featured in workshops during the *BodyWorlds 101: A Journey Under the Skin* exhibit showing February 13 through May 25, 2026.

Sponsorship of Cyndi the SynDaver will be recognized by the following:

- Logo on website, marketing materials, and communications pieces related to Cyndi
- Event signage recognizing sponsorship at SynDaver events
